

Dear Readers,

We are glad to deliver to you the April issue of our newsletter "Tire Recycling Insights", designed to inform you about tyre recycling related events, new trends and developments in the industry.

In this month's issue we are happy to present to you the third article from our monthly blog series "Weibold! Academy" We hope that with these articles we help our newsletter subscribers to gain valuable knowledge about the tire recycling industry.

As personal news, we are glad to share with you that Mr. Robert Weibold was recently elected Vice President of the European Tyre Recycling Association (ETRA).

To stay updated with more industry news and developments make sure to follow us also on [LinkedIn](#), [Facebook](#) and [Google+](#).
