

Dear Readers,

We are glad to deliver to you the February issue of our newsletter "Tire Recycling Insights", designed to inform you about tyre recycling related events, new trends and developments in the industry.

In this month's issue we are happy to present to you the first article from our new monthly blog series called "Weibold! Academy!" The idea behind these articles is to provide our readers and our newsletter subscribers with valuable knowledge about the tire recycling industry.

To stay updated with more industry news and developments make sure to follow us also on LinkedIn, Facebook and Google+.
