

Dear Reader,

We are glad to deliver to you our newsletter, designed to keep you apprised of new opportunities for your business and to put you in touch with tyre recycling related events, new trends and developments in the industry.

For this month's issue we have prepared for you a review of the international seminar for a safer and more sustainable city life "FLEX & THE CITY: Rubberised Asphalt and Recycled Tire Products and Applications for Roads and Urban Furniture", which we attended in Treviso, Italy on 22 October.

To stay updated with more industry news and developments make sure to follow us also on [LinkedIn](#), [Facebook](#) and [Google+](#).
